The CAcert Organisation Programme (COAP) aims to verify the identity of the organisation. The Applicant asks the Organisation Assurer to verify to CAcert Community that the information provided by the Applicant is correct, and according to the official trade office registration bodies.

For more information about the CAcert Organisation Assurance Programme, including detailed guides to CAcert Organisation Assurers, please visit: <http://www.cacert.org>

A CAcert Arbitrator can require the Organisation Assurer to deliver the completed forms and accompanying documents in the event of a dispute.
